

# TAC Series

The TAC Cased Coil has the highest efficiency ratings of any geothermal split system in the industry when matched with Comfort-Aire HZS indoor units. TAC Cased Coils are specifically designed and matched for use with indoor geothermal split units.

TAC Cased Coils are available in vertical upflow or downflow, and horizontal left or horizontal right airflow. Designed for retrofit geothermal installations, the Comfort-Aire indoor Cased Coil is ideal for dual fuel geothermal add-on applications.

## FEATURES

- Fully convertible vertical upflow or downflow, and horizontal left or horizontal right airflow
- Thermoset plastic drain pan
- Large easily removable access panel provides an open service-friendly cabinet
- Heavy gauge galvanized steel construction with attractive grey powder coat finish
- Corrosive resistant aluminum air coil

## SPECIFICATIONS

### *Application Flexibility*

- Four Capacities: 026, 038, 049, 064
- AHRI matched and rated with HZS products
- EarthPure® HFC-410A refrigerant
- Exceeds ASHRAE 90.1 and Energy Star 3.0 efficiencies

## CASED COILS FOR SPLIT SERIES

*2 to 6 Tons*

*Energy Efficient Heating & Cooling for Commercial Applications*

**Warranty**—12 years when matched with HZS geothermal unit, and registered within 60 days.

*(Some limitations apply; see printed warranty for details.)*

Due to ongoing product improvements, specifications and dimensions are subject to change and correction without notice or incurring obligations. Determining the application and suitability for use of any product is the responsibility of the installer. Additionally, the installer is responsible for verifying dimensional data on the actual product before beginning any installation preparations. All products meet applicable regulations in effect on date of manufacture; however, certifications aren't necessarily granted for life of the product. It is the responsibility of the applicant to determine whether a specific model qualifies for third party incentive/rebate programs (Federal, state, utilities, etc.).

"This product complies with all California product labeling laws including, but not limited to, the Safe Drinking Water and Toxic Enforcement Act of 1986, more commonly known as Proposition 65."
