

LIMITED EXPRESS WARRANTY

Congratulations on purchasing your new HVAC equipment. It's been designed for long life and reliable service, and is backed by one of the strongest warranties in the industry. Your unit automatically qualifies for the warranty coverage listed below, providing you keep your proof of purchase (receipt) for the equipment and meet the warranty conditions.

LIMITED ONE (1) YEAR PARTS AND LABOR EXPRESS WARRANTY

Comfort-Aire/Century warrants all parts of the PTTC, PTTE, or PTHH to be free from defects in workmanship and materials for normal use and main-tenance for one (1) year from the date of purchase by the original con-sumer. Comfort-Aire/Century will also provide a one year labor allowance for approved warranty repairs. Any fees charged by a service technician above and beyond the amount authorized by Comfort-Aire/ Century will be the responsibility of the consumer. No reimbursement will be made for expenses incurred in making field adjustments or replacements unless specifically authorized by Comfort-Aire/Century.

LIMITED FIVE (5) YEAR SEALED SYSTEM WARRANTY

The sealed system consisting of the compressor, evaporator coil, con-denser coil and connecting tubing is warranted to be free from defects in workmanship and materials for normal use and maintenance for four additional years, for a total of five (5) years, from the date of purchase by the original consumer.

LIMITED FIVE (5) YEAR FUNCTIONAL PARTS WARRANTY

Functional parts which consist of the fan motor, unit-mounted thermostats and thermisters, circuit boards, factory installed heaters and relays, unit blower wheel and fan propeller, reversing valve solenoid, and capacitor are warranted to be free from defects in workmanship and materials for normal use and maintenance for four additional years, for a total of five (5) years, from the date of purchase by the original consumer.

The express warranties described above apply only when the unit is installed and operated per Comfort-Aire/Century installation and operation instructions for normal use.

EXCEPTIONS

The Limited Express Warranty does not cover normal maintenance. Comfort-Aire/Century recommends that regular inspection/maintenance be performed at least once a season and proof of maintenance be kept. Additionally, labor charges (except as described in the Limited One Year Warranty paragraph), diagnostic charges, transportation charges for replacement parts, replacement of refrigerant or filters, and any other service calls/repairs are not covered by this Limited Warranty. It also does not cover any portion or component of the system that is not supplied by Comfort-Aire/Century, regardless of the cause of failure of such portion or component.

CONDITIONS FOR WARRANTY COVERAGE

- Unit must be operated according to Comfort-Aire/Century operating instructions included with the unit and cannot have been subjected to accident, alteration, improper repair, neglect or misuse, or an act of God (such as a flood)
- Serial numbers and/or rating plate have not been altered or removed
- Performance cannot be impaired by use of any product not authorized by Comfort-Aire/Century, or by any adjustments or adaptations to components
- Damage has not been a result of inadequate wiring or voltage conditions, use during brown-out conditions, or circuit interruptions
- Air flow around any section of the unit has not been restricted
- Unit remains in the original installation
- Unit was not purchased over the internet

DURATION OF WARRANTY & REGISTRATION

The warranty begins on the date of purchase by the original consumer. The consumer must retain a receipted bill of sale as proof of warranty period. Without this proof, the express warranty begins on the date of shipment from the factory.

REMEDY PROVIDED BY THE LIMITED EXPRESS WARRANTY

The sole remedy under the Limited Warranty is replacement of the defective part. If replacement parts are required within the period of this warranty, Comfort-Aire/Century replacement parts shall be used; any warranty on the replacement part(s) shall not affect the applicable original unit warranty. Ready access to the unit for service is the owner's responsibility. Labor to diagnose and replace the defective part is not covered by this Limited Express Warranty. If for any reason the replacement part/product is no longer available during the warranty period, Comfort-Aire/Century shall have the right to allow a credit in the amount of the current suggested retail price of the part/product instead of providing repair or replacement.

LIMITATION OF LIABILITY

1. There are no other express or implied warranties. Comfort-Aire/ Century makes no warranty of merchantability. We do not warrant that the unit is suitable for any particular purpose or can be used in buildings or rooms of any particular size or condition except as specifically provided in this document. There are no other warranties, express or implied, which extend beyond the description in this document.
2. All warranties implied by law are limited in duration to the one-term of the parts warranty. Your exclusive remedy is limited to the replacement of defective parts. **We will not be liable for any consequential or incidental damages caused by any defect in this unit.**
3. This warranty gives you specific legal rights and you may also have other rights which vary from state to state. Some states do not allow limitation on how long an implied warranty lasts or do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.
4. No warranties are made for units sold outside the continental United States and Canada. Your distributor or final seller may provide a warranty on units sold outside these areas.
5. Comfort-Aire/Century will not be liable for damages if our performance regarding warranty resolution is delayed by events beyond our control including accident, alteration, abuse, war, government restrictions, strikes, fire, flood, or other acts of God.

HOW TO OBTAIN WARRANTY SERVICE OR PARTS

First contact your installing contractor for service. If the installing contractor is not able to service the unit, contact our North American service provider at 1-866-557-1865. Have the model number, serial number, and date of purchase available for this call.

Owner responsibilities are set forth in the instruction manual—read it carefully.
